As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different prices on each page. Be certain that your gross sales copy is exactly the

identical on each page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.

Finally, if you've written a ebook that solves a downside or presents a new method, your ebook will bring in both visitors and profits.
